

**Mountain Green Sustainable Communities Conference - June 23, 2010**

Doug Ingram, Monday 01 February 2010 - 21:25:38

The Mountain Green conference is held on the campus of Warren Wilson in June and features experts in architecture, development, energy, and construction to discuss best practices along with a professional vendor expo with displays of sustainable technologies. See [www.MountainGreenWNC.org](http://www.MountainGreenWNC.org) for details.
